Dear Friends,

From COVID-19 challenges to a busy center with clients needing pregnancy testing, ultrasounds, material needs and Earn While You Learn classes, this year has been both a challenge and a joy. Currently, we have served **27** clients during 2020. Most of our clients not only come to the office for free pregnancy testing and ultrasounds, but build a lasting relationship with the staff and volunteers by taking parenting and prenatal classes online or onsite. We routinely call our clients or send them text messaging to let them know we care. Thank you for praying for these women and their families and giving financially so Creative Choices can continue.

It is time for the **Walk for Life** slated for September 19 in Manteo at Manteo Baptist Church. On the back of this newsletter you will find a pledge sheet. We hope each of you will participate in the walk this year by joining us in person, forming a neighborhood walking team, or having a virtual walk with your friends near and far. It is always encouraging when we get together with you and work for the common goal of LIFE!

As someone said, "The **Walk for Life** gives everyone a practical way to show they care about unborn children, their mothers and their families. It is also an excellent time to raise awareness and appreciation for God's precious gift of life. Sponsored walkers will be raising support for our ongoing services which empower women to choose life for their babies and equip these moms to embrace a lifestyle of abstinence until marriage." I hope you will join us and help us exceed our \$2000 goal. Call and let us know if you can participate in the walk or would like to volunteer with set up and publicity.

If you believe in the sanctity of life then please consider putting your feet in action and sign up for the **Walk For Life**. Your giving in 2020 has enabled **13** new clients medical assistance, **11** clients ongoing material assistance by participating in *Earn While You Learn* classes, **3** returning clients which moved from medical to material needs as well as **32** classes which enriched the parenting skills of these women. *Thank you!*  
*Without your continued support we could not minister to the families we serve in Dare, Hyde, and Currituck Counties.*

Renee Clark, Director

**A special thanks to all who participated in the Baby Bottle Campaign during these challenging days. Your support has meant so much to Creative Choices and the clients we serve.**

"With teachings rooted in love for others, the Gospel can be a powerful tool for social change especially when it concerns the preborn with God's image imprinted on each child."
